

## RODEBJER IS LOOKING FOR AN OPERATIONS MANAGER

Rodebjer is looking for a highly-skilled Operations Manager to lead the design, production and supply chain teams.

In your work, you will overlook the daily operations from design to product development and bulk buying order to outbound delivery to customers worldwide where each part of the process is requiring hands-on management, analysis, follow up and implementation. You will follow up with each function respectively throughout the process ensuring an on-time and accurate delivery according to set business goals and KPI's. It is key in this role to have an in-dept knowledge of the process in order to act proactively with a high success rate of problem solving.

Your background:

- Documented education in business, economics or equal.
- At least 3 year in a similar position.
- Mastering English fluent in speech and writing.
- Experience from working in Navision and/or Pisa is an extra merit
- Highly skilled in Excel is a must

As a person you are positive, flexible and unpretentious. You are able to work under pressure and withstand periods with high tempo yet keeping a high level of structure and thoroughness. You have the ability to switch between situations and teams, finding the best way forward while withholding a clear and calm communication level. You have an eye for detail as well as the capacity to overlook the end-to-end process of multiple collections and projects simultaneously.

Apply with your resume and cover letter to Operations Director Ylva Marfelt at [ylva.marfelt@rodebjer.com](mailto:ylva.marfelt@rodebjer.com). Candidates will be interviewed continuously so submit your application as soon as possible. The position is a 1 year coverage for maternity leave starting mid-December 2019. Position is stationed at our head office on Östermalmsgatan 87a.
