

FITTING MODEL

We are looking for a girl with size 36 / S to be our fitting model, starting date as soon as possible. The fittings take place during office hours at our headquarters in Karlaplan in the center of Stockholm, together with designers and garment technician. The job involves trying on samples with the production/ design team and give feedback about the comfort, fit and feeling. Therefore, it's important that your body matches our measurements. Please note that this is not a photo model job, the assignment is to try on clothes so we can check properly the fit of the garment. We are looking for someone with following body measurements:

- Length: 168-170 cm
- Bust: 84 cm
- Waist: 68 cm
- Seat: 94 cm

The work entails about 2-3 hour sessions once or twice a week and it requires you to have a flexible schedule. Longer sessions of full days may happen two to four times a year, where lunch is included. Compensation for the work will be given per hour. Please send your application, with your body measurements to info@rodebjer.com. Given that your measurements are matching the above requirements, we will contact you for further details about the assignment.
